01 / ANIMALS

Find, name, move.

Use: Animals map or floor puzzle, with its reference card.

Begin together

Invite children to choose an animal they recognize. Find its name on the map or card, then explore its shape and surroundings.

Ask

How do you think this animal moves?

Follow their lead

Make space to move, draw or tell a story about the animal. Offer its Hebrew name when it fits the conversation.

Adapt it

Younger children can point and imitate a movement. Older children can compare two animals or imagine where they might meet.

Return another day

Choose a different animal and notice what changes.

Shared use with an adult. Puzzle ages 3+; small parts, not suitable for under 3s.

02 / FRUITS AND VEGETABLES

A food with a story.

Use: Fruits & Vegetables map, paper and drawing materials.

Begin together

Ask each child to choose a food they know. Invite a memory of eating, growing or cooking it.

Ask

Who do you share this food with?

Follow their lead

Draw it, describe its colors, or wonder together about how it grows. Welcome different family experiences.

Adapt it

Younger children can point to familiar colors and shapes. Older children can compare foods or tell a longer food story.

Return another day

Find a food that is new to your group.

Shared use with an adult. Puzzle ages 3+; small parts, not suitable for under 3s.

03 / JOURNEYS AND PLACES

Plan a journey.

Use: In Motion and Sites maps, paper or loose drawing materials.

Begin together

Choose a place on the Sites map and a way to travel from In Motion. Imagine who might come along.

Ask

What would you like to discover there?

Follow their lead

Tell, draw or act out the journey. Let children decide what they might see, hear or stop to explore.

Adapt it

Younger children can choose a vehicle and make its sound. Older children can compare routes or build a shared story.

Return another day

Choose another way to travel to the same place.

Shared use with an adult. Puzzle ages 3+; small parts, not suitable for under 3s.
